***Applicants must address technical reviewer comments during the development of their grant agreement.**

PINs NOT recommended for funding do not appear on this list.

For PINs 9026 and 9524, the applicant will need to be revised to meet the eligibility requirements (i.e., local public agency).

For PIN 9234, if the applicant accepts the USWP grant funds, the applicant cannot receive more than an additional \$4 million from the 2005-06 Consolidated Grants Program.
